

Our school is most fortunate to have a comprehensive school bus service that is exclusively used by students of Welton Primary School.

The bus route begins at Farley Road and picks up students along the Murray Valley Highway as far as the Patho Post Office. It then continues its run along Weir Road and Headworks Road at Torrumbarry. Bus stops can be included to suit families.

Our bus is used for excursions, camps and to attend activities within the local environment and at neighbouring schools.

Free access is provided for all students to the School's Instrumental Music Program.

CONTACT US

Welton Primary School invites families to come and meet the Staff and students. We welcome enquires by email, telephone or in person. Information packages can be forwarded to families. Please visit the Welton Primary School's website at www.weltonps.vic.edu.au to view our newsletters, photo gallery, interactive calendar and more information about our fantastic little school.

Are you looking for a school that focuses on the individual child and their unique learning needs, has an innovative curriculum, is staffed by caring and experienced teachers and boasts outstanding NAPLAN results?

THEN WELTON IS THE RIGHT CHOICE FOR YOU AND YOUR FAMILY.

We maintain regular contact with other network schools through group days, sporting events, camps and excursions to provide our students with increased social interaction and experiences.

ALL ABOUT WELTON PRIMARY SCHOOL

Welton Primary School is a small rural school at Torrumbarry, 25 minutes drive, west of Echuca. The school is situated in an attractive natural bush setting, with abundant wildlife close to the Murray River. Our school serves students and families from the areas surrounding Patho, Torrumbarry and Wharparilla.

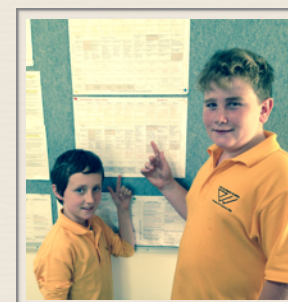

- * Students work at Learning Levels not Grade Levels
