GARDEN GURUS

Our Winter vegetable crop is well and truly on the way to being ready to harvest. Our students have been tending to their 'plots' each week during our gardening sessions. This program provides our students with the opportunity to experience first hand and close up how different vegetables grow.

Did you know?

Welton Primary School provides each of our students with access to Reading Eggs (For junior students) and Reading Express (senior students). These programs provide learners with interactive lessons and activities to assist with reading and phonics. More information about the program can be found at readings.com.au

Our Mathematics Program is supported through the use of an online program called Mathletics. This program is used to deepen our student's understanding of mathematical concepts and it also provides them with stimulating activities to practice skills and methods taught in class.

Our 1:1 iPad program and our low student to desktop computer ratio, ensures our students have ready access to these programs that greatly enhance our classroom program.

Play Group

A reminder that Playgroup is on this Friday commencing at 10am. This program runs fortnightly at the school. Dates for next term are attached to this weeks newsletter.

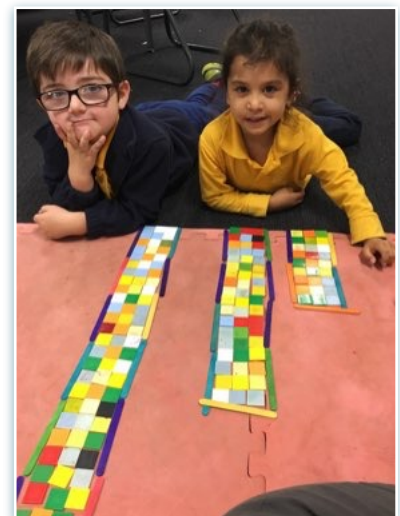

Lightning Premiership

This Friday is the Lightning Premiership it is taking place in Kerang. James, Brodey and Daria will join Year 5 and 6 students from Gunbower, Leitchville and Koondrook Primary Schools to participate in a round robin style Football and Netball tournament. Permission slips for these three students are attached to this newsletter and need to be brought along on Friday. Students will need suitable sports shoes and shorts, drinks, lunch and snacks. Ms D will be transporting the students to Kerang. Mrs Flight has organised red shirts for the girls (thanks to the Gunbower families who are lending them) and the cluster has football jumpers. They will be picked up at Brodey's bus stop on Friday morning at 8.30am (Daria and James can get on the bus as usual in the morning). We envision returning in time for the afternoon bus run, however if this changes parents will be contacted and Ms D will deliver your child to you (I don't really want to keep them for the weekend).

Mid Year Reports

Our June (Semester One) student reports will be send home on the last day of school for Term Two, (Friday June 30th). Apologies for not sending them earlier in the week, however with the North Western Region Principal's conference on at the beginning of the week and our Thursday session at Gunbower- sending them home earlier will be impossible. If parents have any questions or queries relating to their child's report they are more than welcome to make an appointment for the first week or two in Term Three to discuss.

A reminder that Report Writing Day is Friday June 23rd. Students do not attend school on this day.

Ashton & Jasmine making city buildings to learn about the concept of area.

MARC News

During Term 2 in Library the children have been introduced to new release books. They have been learning the different parts that make up a book, as well as learning about the call number and where to find books. They are learning about the Dewey Decimal System and where to find non-fiction books.

The middle and upper grades have used books and computers to research information.

The children will be enjoying a variety of literature. Books of different genres will be introduced, as well as book series and books by certain authors. Enjoyment of books is my main goal.

Helen McLaren (MARC Librarian)

MACC Fun

Matilda with her Summer sewing

James made a Winter collage

Daria with her Autumn collage

Jayden made a bird & nest to represent Spring

Kayden makes a beach picture to depict Summer

Jasmine creates an Autumn collage.

School Council

A reminder that the next meeting is on next Tuesday night (June 21st) commencing at 7pm. A package will be sent home to all councillors, please bring this along to the meeting.

Special Lunch

The next special lunch is scheduled for Thursday 22nd of June at Gunbower Primary School. Order forms are attached to this newsletter and should be back by Friday (with payment) so we can let the catering committee know how many students will be requiring lunch. The rostered helper from Welton is Reena or Wade Taylor- a Gunbower parent will be in contact with the details of what you need to do to help out.

End of Term Activity

Our end of term activity day is on Friday June 30th. Students are permitted to come to school in casual clothes on this day.

Our activities will include mini pizza making (this will be our lunch) and board games. Please note there will be no lunch orders on this day. If students do not wish to eat pizza muffins for lunch they may bring along their own food. Students will require morning snacks as normal.

On this day school will be dismissed one hour earlier than usual and the bus will depart an hour ahead of its usual schedule.
