MATILDA THE MUSICAL

Tomorrow is our long awaited trip to the Melbourne Aquarium and Matilda The Musical. We will be heading off from Bendigo Station on the 7.45 train. We would like everyone there by 7.35am. Those travelling with Mrs Flight and Ms D, need to meet at the Barrat House and be ready to leave by 5.50am. Students will need to be in full school uniform, bring a coat, morning tea, lunch and drinks. It will be a long day, so hopefully everyone gets an early night tonight.

Police Visit

Last Wednesday we were visited by the long arm of the law. Two police officers from the Echuca Station came out to talk to the students about their role and experiences. The students were able to try on the bullet-proof vest, pass around the handcuffs, baton and look at the capsicum spray. The highlight was being able to check out the police car - lights, siren and all!

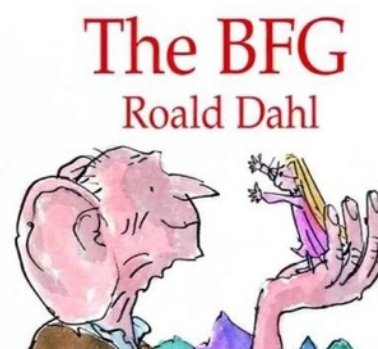

Special Lunch

On Thursday 23 June we have been invited to participate in the Taco Lunch at Gunbower Primary School. An order form is attached to this week's newsletter; please fill in and return with payment by this Friday. If any parents would like to assist with preparation and serving on the day please let Lisa know.

Dahl-icious Day

Friday 24 June is the last day of Term 2. To complete our studies of all things Roald Dahl we will be holding a Dahl-icious Day. Students are invited to come dressed as something or someone from a Roald Dahl book. We will be taking part in lots of Roald Dahl activities - rumours of swimming in a chocolate river may have been slightly exaggerated. A reminder to families that students will be dismissed one hour earlier and therefore the bus run will commence at 2.15 pm.

Pie Drive

Attached to this newsletter is an order form for our pie drive. The pies are from the Lockington Bakery and are always yummy. Please ask friends and family to support our school by placing an order. Orders and payments are due by Friday July 15^h ; the first week back after the holidays. Orders will be delivered on Friday July 22nd.

Audit

Last Friday our school was visited by three auditors employed by the Department of Education. Each auditor looked at a different aspect to ensure that our processes are aligned with Departmental Guidelines. A full report will be forwarded and presented to School Council in the coming months.

Uniform

Thank you to the families who have ensured that their child/ren is/are in correct uniform. It has been wonderful to see all students in a sea of yellow and navy. Please remember that if you are missing items, we have a very full lost property basket. The un-named items will be taken home on the holidays, laundered and then offered to families, so look out in next term's newsletter for some uniform bargains.

Working Bee

Please advise Lisa if you are able or unable to make it to this Saturday's Working Bee from 10am until lunch. If we have numbers of who is attending, jobs can be organised into priority order and catering for lunch can be organised.

Student Reports

We will be sending home student reports with next week's newsletter. Interviews will be held early in third term for any families who wish to speak to staff about their child's report or progress.
