Dahl-icious Reading

This term we are studying the works of Roald Dahl.

As the Year Four, Five and Six students will tell you, Roald Dahl wrote many well known stories, involving a whole host of amazing characters. The Year One and Two students are currently studying the story of Fantastic Mr Fox, and will be only too happy to tell you about the characters, plot and setting. The senior students have been reading, Danny the Champion of the World; they are learning a lot about language used in days gone by and about the importance of relationships. In coming weeks, we will be completing further studies based around the works of Roald Dahl. We will be sure to keep you all informed of what we are up to. This will culminate with a Roald Dahl themed day at the end of term. More information regarding this special event will be in future newsletters.

Matilda - Not The Student, The Musical

Please find attached permission forms for our upcoming excursion to Melbourne to watch "Matilda the Musical" at the Princess Theatre. We will also be visiting the Melbourne Aquarium. We have adult tickets available; please let Lisa know if you would like to join us. Travel will be via car to Bendigo Station and then by train. The cost per student is \$40; a very good deal for such an activity filled day. Adult tickets are \$50 each. All payments include train travel, entry to the Aquarium and to Matilda. Details regarding times and cars, will be discussed at the next School Council meeting. In the meantime, we ask that families please sign and return the permission slips attached to this newsletter.

Student Free Day

Staff would like to have Friday June 10th as an assessment and report writing day. This day also coincides with our Audit, which Joy and Lisa need to be involved in, alongside a Department allocated accountant. This day will be put to School Council for formal approval next Monday night. In the meantime we thought you would appreciate the advanced notice!

School Council

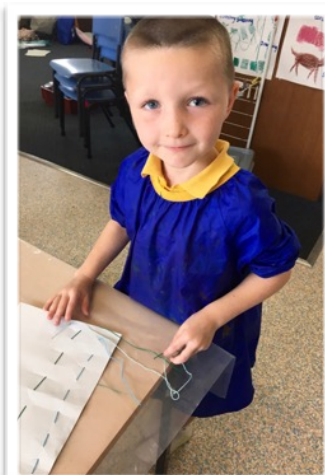

A reminder to councillors that our next meeting will be held on Monday, May 23rd at 7pm. Packages are attached to this week's newsletter; they have been sent home earlier than usual to allow time for councillors to read through the many policies that require endorsement in readiness for our review and audit.

Playgroup

A reminder that Playgroup is running this Friday May 20th, from 10am to 12pm. We hope as many as possible can join us.

Sew What!

As part of their Textiles unit, our students have been learning how to sew in Art. Last week saw them learning stitching techniques, although for some, the threading of the needle proved to be the biggest challenge!

Cluster Day

On Wednesday June 1st, our school will be travelling to Leitchville Primary School to participate in a Cluster Maths and Sports Day. We will be joined by students and staff from Gunbower, Koondrook and Leitchville Schools. The purpose of the day is to bring our students together for some learning and socialisation opportunities. The younger students will join in tabloid sports, whilst the older students will play netball and football in preparation for the upcoming Lightning Premiership held in June. There will be no cost to families for this day. Permission slips will be sent home next week.

PLAYGROUP @ WELTON PRIMARY SCHOOL

Remaining dates for Term 2
Friday May 20, June 3 and June 17 10 am - 12pm

Please bring along personal snacks and drinks for each child. Tea, coffee and valium available for attending adults.
