They Should Get A Medal
Sports Stars

After such wonderful sporting achievements by all of our students this year in both the Murray Plains Swimming and Athletics Carnivals, we felt that they had earned some additional recognition. Each student has been presented with a medallion to commemorate their efforts in our sporting events for 2016. These medals will serve as a personal keepsake, as opposed to the swimming shield and athletics trophy, that we are only able to keep until the next sports.

End Of Term Fun

On the last day of Term Three, we visited Go Jump in Shepparton. Our students had a wonderful time jumping, flipping, leaping and tumbling. Staff at the venue were full of praise concerning the conduct of our students. After a couple of hours of solid jumping it was off to the park for lunch and then an ice-cream before heading home.

Start Of Term Fun - We’re Back!

Welcome to Term 4. This term is a long one at over eleven weeks, but will go very fast with all of the events we have scheduled between now and Christmas. Please ensure you keep up to date with what is happening by reading the newsletter each week. Don’t forget that the newsletter is available online at weltonps.vic.edu.au. Please note that attachments, such as permission slips, are not available online.

Tree Planting

On Tuesday October 25th, our school will be participating in tree planting along the Murray River Reserve. This has been organised by the North Central Catchment Management Authority and is part of their ongoing commitment to revegetation of the local area. We would love some parents and community members to come along and join us for this event. We are meeting at the school at 9am for a talk about the area and the trees we will be planting. It is hoped that this morning be followed by a sausage sizzle lunch back at the school. If any one would like to ‘volunteer’ to help by cooking the BBQ, it would be very much appreciated. Please contact Lisa for more details.

Playgroup

A reminder that our next Playgroup is scheduled for Friday October 14th, commencing at 10am. If you know anyone who may be interested in attending please let them know.
School Council

Our next school council meeting will be held on Tuesday October 18th at 7pm. Packages will be sent home prior to the meeting. If you are unable to attend please let Lisa know.

Lawns

The school lawns are growing very quickly. Although they were done on the first week of the holidays, they are already in need of more mowing. The next rostered family is Kalinowski. Please contact Lisa to arrange a key.

You’re Invited!

ECHUCA ANIMAL RESCUE SERVICE presents
Blessing of The Pets
To commemorate World Animal Day

Sunday
9 October 2016

Aquatic Reserve, Echuca

Arrival 1.30 pm with the Blessing to commence 2.30 pm
