It’s Dry In Here Mate
Bush Cubbies

Finally the weather was kind enough to allow our students to test our their bush cubbies. The irony was that it had to stop raining so we could head into the bush to then see whose cubby was not waterproof.

Pioneers

Tomorrow sees our three Year Four students, accompanied by Mrs Flight, set off for Swan Hill Pioneer Settlement for an overnight camp. They will be joined by Year Three and Four Students and Staff from the other three Murray Plains Cluster Schools. A fun-filled two days of activities have been planned and we can’t wait to learn of their adventures when they return.

Farm Safety Day

Next Tuesday we will travel to Rochester to participate in the Farm Safety Day. We will leave school at 9.30am and be back in time for the afternoon bus run. Students are reminded to bring a coat if the weather looks ominous, but at the very least they must take a jacket/windcheater. A sausage sizzle lunch and drink are provided, however students need to bring their own snacks and a refillable water bottle. Permission slips are attached to this newsletter, please sign and return by Friday.

Athletics

Training is well and truly underway for the upcoming Athletics Sports. Students have been practicing their skills in the events of Hurdles, Sprints, Discus and Shot Put. We hope that our pit is dry enough this week so we can get some Long and Triple Jump practice in. The Murray Plains Athletics will be held on Friday August 26th at the Cohuna No.2 Oval. As always we require parent help on the day in order to run the events. As yet we have not been given our events, but as soon as we know, we will put out the ‘call to arms’.

School Council

A reminder to our councillors that our next meeting is on Tuesday August 16th at 7pm. Packages are attached to this week’s newsletter.
DATES TO REMEMBER
